Sir,

Subject:- Liquor Prohibition and Local Option.

I have the honor by desire of my Committee to forward herewith, for information and favour of such sympathetic consideration as may be possible, copies of Resolutions Nos. 10 and 11 passed by the Committee of this Association on the 14th June 1930.

I have the honor to be,

President,

The Bangalore Rate Payers' Association.

THE BANGALORE RATE PAYERS' ASSOCIATION.

Extract from the Proceedings of the Committee meeting of the Bangalore Rate Payers' Association. Bangalore. that was held on the 14th June 1930.

10. Liquor prohibition and local option.

Mr. G.G. Jeremiah placed before the committee the following proposition which Municipal Commissioner Mr. Mahomed Sheriff has given notice to move at the next Municipal meeting:-- (1) That in view of the health and well-being of the people and of the growing enlightened opinion in favour of liquor prohibition throughout the country, this Commission requests the local Government may be pleased to give it local option within municipal limits, (2) That with a view to carry out the above object a vote to be taken from the municipal council before the annual abkari sales are notified as to the removal or closure of any liquor shop, (3) That the Municipal Council considers it necessary as the peoples representatives that at least three of their elected members be elected annually by the council to serve on the Excise Committee, (4) That this Commission further recommends to the local government that in pursuance of the policy of Government of India towards the attainment of gradual total prohibition Excise Licenses in the Station be not increased and those that have lapsed or have been relinquished be not renewed".

Resolution:- This Association welcomes the above proposition as a move in the right direction and strongly supports it.

11. In the course of the consideration of Mr. Mahomed Sheriffs proposition above referred to, Mr. Jeremiah brought to the notice of the Committee certain lapses in the matter of grant of Excise licenses, and the following resolution was then passed

passed by the Committee for communication to the authorties -- concerned:--

" That this Association notes with grave concern that the orders passed by the then Honorable Resident (Mr. Barton) on a representation made by the Bangalore Trades Association in their letter No. 283-22, dated 29th November 1923 that no more licenses would be granted are ignored or are lost sight of, in that a new license has been granted to Messrs Funnels on South Parade, though in prusuance of the policy decided upon in 1923 new licenses were rightly being refused for the past six years".

SIR,

I have the honour to forward, herewith, for the favourable consideration of the Hon'ble the Resident, a copy of the Commission's resolution No.3, dated the 27th June 1930 in regard to giving them local option in the matter of prohibiting liquor sales within the Municipal limits etc.

I see no objection to the procedure suggested of placing the notification for abkari sales before the Municipal Commission, nor to granting representation to the Commission on the Excise Committee.

As a matter of fact, the principle of giving the Commission due representation on the Excise Advisory Committee was accepted in the Resident's Proceedings No.826 dated the 11th February 1908 and the Commission were actually represented by 6 Commissioners one from each of the six divisions (more than they now ask for) until the year 1923 - 24, when this privilege was allowed to lapse and the board was reconstituted on a different basis. I would suggest that the Commission may be given the privilege of electing four representatives to the Committee.

It has been represented by several of the members of this Association, vide enclosed letter, that there is every likelihood of permission being given for a new LIQUOR BAR, on South Parade, and next door to an existing Bar, Messrs G Baccala and Co.

My members are given to understand that there is a rule governing distances between liquor bars, also, that when the licence fee was raised in 1918, it was understood that no further licences would be granted. Again, about a year ago, one of our members Mr James Lavender, applied for a bar licence for Infantry Road, but this was refused on the grounds of proximity to other bars.

Your intervention is respectfully requested.

To

The Honorary Secretary,

Trades Association,

Bangalore.

Dear Sir,

We, the undersigned desire to bring the following facts to the notice of the association for such action as may be necessary to safeguard the interests of liquor bar license holders.

1. A Garden rink is to be opened shortly in the vacant ground adjoining Messrs. G. Baccala & Co. on the eastern side under the management of one Mr. N. Franklyn and we understand that he has applied for a bar license.

2. In this connection we beg to point out that there are already several bars in this vicinity as detailed below and to grant another bar license and that too next to a business place mainly dealing in liquor for the last so many years.

1. Crystal Picture Palace
2. Ramsay & Co.
3. G. Baccala & Co(Ld)
4. Bangalore Library
5. Bangalore Gymkhana
6. The Gaiety Restaurant
7. Imperial Picture Palace
8. Electric Picture Palace.
9. J. W. Smith, Confectioners.

3. We also desire to point out that the license fee for license about 4 years ago was Rs. 50/- and the same was ra to 750/- in 1918 or 1919. At the time of increasing the f the authorities concerned promised that no more bar licens would be granted in the station and so to say that the tra in liquor in retail would be a monopoly for the then exist license holders, however, which were not few and the civi authorities adopted the same principal and kept up the by refusing many applications subsequently made.

4. We understand from reliable source that Mr.Franklyn is trying his utmost to get the Military authorities to approach the Collector for the grant of a bar license as if it will be solely used by military and not by civilians.

5. We also beg to point out that trade is very much on the decline which can be proved by the Excise books kept by the license holders and old licenses which existed for so many years find it very hard to make both ends meet and we are at a loss to know how the authorities are thinking of granting further privileges to new people.

6. So we request you to kindly impress on the mind of the Collector that the grant of any more license on the South Parade Road and that too next to Messrs. G. Paccala & Co. will be very deterimental to their business.

A prompt action on this will greatly oblige.

Yours faithfully,

(sd) G. Paccala & Co.

(sd) Ramsay & Co.

(sd) A. Pawcitt for Electric Picture Th

(sd) A. Pawcitt for Electric Picture Theatre

(sd) G.M.Swashbrook for Imperial Theatre.
